## PURPOSE

To ensure families, teachers and educators are aware of their responsibility regarding children's belonging including keeping them safe.

## SCOPE

This policy applies to children, families, teachers, educators, staff, visitors, the Approved Provider, nominated supervisor and management of the Preschool.

## IMPLEMENTATION

It can be distressing for children to misplace their toys from home whilst attending Preschool. At times, toys brought from home can also cause conflict between children at the preschool. Children often want to share or show other children or educators their special items from home, however, these 'treasures' may be inadvertently broken or lost. To save the upset and heartache, parents are requested to encourage children to leave their toys at home, unless they are essential to a child's emotional wellbeing and/or sense of belonging (security items). We have numerous stimulating and challenging toys and resources catering to children's interests that are available to play with each day.

## THE APPROVED PROVIDER, NOMINATED SUPERVISOR, TEACHERS AND EDUCATORS WILL:

- allow children to bring personal belongings for news, including special items from gifts, holiday souvenirs, or items relating to a current interest
- facilitate opportunities for children to participate in news as a way to encourage children to talk about their special toy or personal belonging during group time. This practice encourages
  - children's social development
  - children to verbalise thoughts, fears, and feelings
  - and broadens the cultural and social understandings of all children involved in group time activities
  - the development of language skills, and
  - provides an opportunity for development of special interests for the group.
- store children's items in a safe place throughout the day, retrieving them for news time, and then returning them to safety.
- remind parents, that if they choose to leave belongings in the Preschool during the day, it is completely at their own risk.
- re-iterate our policy, that If personal belongings are particularly valuable, fragile, or hold irreplaceable emotional value, it is recommended that the child bring in the item, show it to friends

and educators, and then have the parent take it with them. This allows for the child to share the excitement and experience without the risk of loss or damage.

- provide appropriate storage for lost property that will be available to children and families at all times.
- manage any grievances or concerns related to lost, damaged, or stolen property of the children in accordance with the *Dealing with Complaints Policy* and Procedure.
- take as much care as possible in ensuring that personal belongings are returned to the correct family. To assist us with this we ask families to ensure that any item that can be labelled, either has the child's name on it, or the child's initials (for example, on the tag of soft toys where space is limited). If an item cannot be labelled it is the parent's responsibility to advise an educator that their child has this item in their possession.
- encourage children who bring special belongings into care to give them to an educator who will place them on the shelf ready for news time.
- enforce a non-violent toy policy in which we seek family assistance in preventing their children from bringing in violent toys from home. Any such toys will be removed from the child immediately and placed in the reception area for parental collection at the end of the day.
- allow children to wear dress-up clothes to the on special occasions such as Book Week or fun days, however, we ask that accessories such as guns, knives, swords, or other weaponry are left at home. Such items can encourage violent play and may present a danger to the child and others within Preschool.
- take as much care as possible in ensuring that children's clothing and linen items are returned to their correct family. The labelling of all items can help educators achieve this. However, the Preschool cannot take responsibility for any damaged, lost or stolen items.
- actively encourage children to care for their belongings by:
  - reminding children appropriately when belongings need to be placed in storage. For example, lunch box into bag.
  - providing suitable storage to keep belongings safe
  - negotiating a secure and safe position with families for any item or personal belonging that is either special, expensive, or at risk of being damaged but is nevertheless being left at the service.
- inform families through relevant newsletters and publications such as the *Family Handbook* of appropriate personal belongings required at the Service each day.

## FAMILIES WILL:

- be responsible for providing their child with appropriate belongings and property required for active participation in all preschool activities and experiences. This property may include (but is not limited to):
  - enclosed footwear
  - weather appropriate clothing
  - sun safe clothing
  - wide brim hat – Preschool hat
  - suitable school bag (backpack)
  - container/flask for water
  - appropriate food and lunch box
- ensure all personal property and belongings are clearly named or labelled or have been shown to an educator upon arrival if labelling is not possible.

## COMFORT TOYS/ SECURITY ITEMS

Many children have a 'security' item that soothes them and helps them to cope throughout a busy day. Security items may include items such as a special blanket, soft toy, or even a strip of satin ribbon from a blanket etc.

We recommend that if children have a comfort toy or security item that it is labelled (if possible) and brought to the preschool each day. When not required or in use we will ensure that it has a designated storage space that is known to the child.

Parents are encouraged to regularly discuss the use of comfort toys/security items with educators as their child's needs change.

## CONTINUOUS IMPROVEMENT/REFLECTION

Our *Children's Belongings Policy* will be reviewed on an annual basis in consultation with children, families, staff, educators and management.
