- Value the opportunity to be heard
- Promote conflict resolution
- Encourage the development of harmonious partnerships

Definitions

Complaint: An issue of a negligible nature that can be resolved within 24 hours, and does not require a comprehensive investigation. Complaints include a manifestation of discontentment, such as poor service, and any verbal or written complaint directly related to the Centre (including general and notifiable complaints). Complaints do not include staff, industrial or employment matters, occupational health and safety matters (except associated with the safety of children).

Complaints and Grievances Register: Records information about complaints and grievances received at the centre, along with the outcomes. This register must be kept in a secure file, accessible only to educators and Department of Early Childhood Education and Care. The register can provide valuable information to the Approved Provider and Nominated Supervisor of the service to ensure children and family's needs are being met.

Grievance: A grievance is a formal statement of complaint that cannot be addressed immediately and involves matters of a more serious nature. For example: If the service is in breach of a regulation causing injury or possible harm to a child.

Mediator: A person who attempts to make people involved in a conflict come to an agreement.

Mediation: An attempt to bring about a peaceful settlement or compromise between disputants through the objective intervention of a neutral party.

Notifiable complaint: A complaint that alleges a breach of the Regulation and Law, National Quality Standards or alleges that the health, safety or wellbeing of a child at the service may have been compromised. Any complaint of this nature must be reported by the Approved Provider or Nominated Supervisor to the Department of Early Childhood Education and Care within 24 hours of the complaint being made (Section 174(2)(b), Regulation 176(2)(b)).

If the Director is unsure whether the matter is a notifiable complaint, it is good practice to contact The Department of Early Childhood Education and Care for confirmation. Written reports must include:

- details of the event or incident
- the name of the person who initially made the complaint
- if appropriate, the name of the child concerned and the condition of the child, including a medical or incident report (where relevant)
- contact details of a nominated member of the Grievances Subcommittee
- any other relevant information

Written notification of complaints must be submitted using the appropriate forms, which can be found on the ACECQA website: www.acecqa.gov.au and logged using NQA ITS (National Quality Agenda IT System).

Serious incident: An incident resulting in the death of a child, or an injury, trauma or illness for which the attention of a registered medical practitioner, emergency services or hospital is sought or should have been sought. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the centre in contravention of the Regulations or is mistakenly locked in/out of the centre premises (Regulation 12).

A serious incident should be documented in an Incident, Injury, Trauma and Illness Record (sample form available on the ACECQA website) as soon as possible and within 24 hours of the incident. The Regulatory Authority must be notified within 24 hours of a serious incident occurring at the centre (Regulation 176(2)(a)). Records are required to be retained for the periods specified in Regulation 183

Privacy and Confidentiality

- Management and Educators will adhere to our Privacy and Confidentiality Policy when dealing with grievances. However, if a grievance involves a staff member or child protection issues, a government agency may need to be informed.

Conflict of Interest

It is important for the complainant to feel confident in

- Being heard fairly
- An unbiased decision making process

Should a conflict of interest arise during a grievance or complaints that involves the Approved Provider, the Nominated Supervisor or other Management will be nominated as an alternative mediator.

Our Service(BRSCC) may also engage the resources of an Independent Conflict Resolution Service to assist with the mediation of a dispute. We will ensure that throughout the conflict resolution process the Services Code of Conduct must be adhered to.

The Approved Provider/ Nominated Supervisor will:

- Treat all grievances seriously and as a priority
- Ensure grievances remain confidential
- Ensure grievances reflect procedural fairness and natural justice
- Discuss the issue with the complainant within 24 hours of receiving the verbal or written complaint

- Investigate and document the grievance fairly and impartially
- This will consist of:
 - Reviewing the circumstances and facts of the complaint (or breach) and inviting all affected parties to provide information where appropriate and pertinent.
 - Discussing the nature of the complaint (or breach) and giving an educator, staff member, volunteer or visitor an opportunity to respond.
 - Permitting them to have a support person present during the consultation (for example: Union Representative, however this does not include a lawyer acting in a professional capacity).
 - Providing the employee with a clear written statement outlining the outcome of the investigation.
- Advise the complainant and all affected parties of the outcome within 7 working days of receiving the verbal or written complaint.
 - Management will provide a written response outlining the outcome and provide a copy to all parties involved.
 - If a written agreement about the resolution of the complaint is prepared, all parties will ensure the outcomes accurately reflects the resolution and sign in agreement.
- Should management decide not to proceed with the investigation after initial enquiries, a written notification outlining the reasoning will be provided to the complainant.
- Keep appropriate records of the investigation and outcome, and store those records in accordance with our Privacy and Confidentiality Policy and Record Keeping and Retention Policy.
- Monitor ongoing behaviour and provide support as required.
- Ensure the parties are protected from victimisation and bullying.
- Request feedback on the grievance process using a feedback form.
- Track complaints to identify recurring issues within the Service.
- Notify the Department of Education and Communities within 24 hours if a complaint alleges the safety, health or wellbeing of a child is being compromised.

Teachers, Educators, staff, volunteers and visitors will:

- Raise the grievance or complaint directly with the person they have grievance with in a professional manner and at an appropriate time. Both parties should try to resolve the issue and develop solutions to ensure the problem does not happen again. Discussions should be based on the principles of privacy, confidentiality, respect and open-mindedness, will not involve other educators, staff, volunteers or visitors (e.g. parents) and will take place away from children.
- Raise the grievance or complaint with the Approved Provider/Management or Nominated Supervisor. If they are unable to resolve the concern, or feel uncomfortable raising the matter directly with the person concerned. The Approved Provider or Nominated Supervisor (or other manager) may ask for the issue to be put in writing.

- Provide all relevant information, outlining the issue, identifying any other person involved in the problem and any suggested solution.
- Communicate openly about the issue with the relevant parties.
- Raise any grievance involving suspected or actual unlawful activity (including bullying) with the Approved Provider or Nominated Supervisor immediately and privately.

Educators, staff, volunteers and visitors will not:

- Become involved in complaints or grievances that do not concern them.
- Raise complaints with an external complaints body, such as a court or Tribunal, without exhausting our grievance procedures.
